Hoshiarpur

A woman is shown in profile, wearing a black VR headset. She is in a classroom, with other students and desks visible in the background. The image is overlaid with various digital graphics: a world map in the top right, binary code, a grid pattern, and several circles containing numbers like '3-157', '14-784', and '8-554'. On the left side, there are several horizontal white bars of varying lengths. The overall color scheme is blue and white, with a futuristic feel.
